A GRANNY PEACE BRIGADE FORUM

**Co- sponsored by *The Social Justice Peace Ministry of
The Riverside Church* and The Black Radical Congress, New York Chapter***

The U.S. and the Abolition of Nuclear Weapons

The Forum will focus on the goal of a world free from nuclear weapons. Several nations have designated their countries as Nuclear Weapon-Free Zones. However, the U.S. secretive base in Diego Garcia (an island within the African Union) is an impediment to Africa's nuclear weapon-free goal. Speakers will also discuss these weapons systems and the United Nations review in May 2010 of the Nuclear Nonproliferation Treaty (NPT).

PRESENTERS

Dr. Horace G. Campbell, Professor of African American Studies, International Relations and Political Science at Syracuse University in New York

Frida Berrigan, Writer and Associate with the Arms and Security Initiative
